2014 Massachusetts Adult Immunization Champion Awards

Sue Tapia, LPN: In recognition of your commitment to the care of the patients of the Sidney Borum Jr Health Center and your extraordinary efforts to provide an effective, system-based approach to assuring up-to-date and complete immunization.

Boston University Health Services Immunization Team: In recognition of your proactive and multifaceted team approach to increasing immunization rates among Boston University students and documenting their immunization status to their great benefit and to the benefit of public health.
