

*Coming to Boston
on June 6th!*

One-time, FREE workshop on raising your clinic's adult immunization rates while streamlining your practice

- ✓ This workshop is a one-stop shop to help you easily implement standing orders in your practice.
- ✓ Using standing orders for adult immunizations can help your practice be a leader in quality adult care.

Interactive workshop led by nationally recognized expert speakers

L.J Tan, MS, PhD, Chief Strategy Officer, Immunization Action Coalition

William Atkinson, MD, MPH, Associate Director for Immunization Education, Immunization Action Coalition

Alexandra Stewart, JD, Associate Professor, George Washington University

Who should attend?

Physicians, pharmacists, clinic managers, nurse practitioners, physician assistants, and nurses that provide health care services to adults

The Westin Copley Place
June 6, 2016
