

WELCOME

Dear Colleagues,

Welcome to the 24th Annual Massachusetts Adult Immunization Conference!

We are grateful to all of our expert speakers for their participation today. This conference utilizes many volunteers who support many facets of the conference. As you participate today, please join us in thanking all of these colleagues from around the Commonwealth.

This conference would not be possible without its exhibitors and supporters. Please see the exhibitor listing in this packet. During today's conference breaks, please visit the exhibit area to meet them.

Some logistical notes are on the reverse side of this document to help answer some questions and ensure your comfort. Please visit the registration desk or find us throughout the day with any questions or concerns.

Thank you for your participation and for your commitment to protecting the people of Massachusetts through vaccination. Together, we will continue to improve the health and wellbeing of all our residents.

Sincerely,
