& CONFERENCE
CENTER

Join us for our 25th anniversary conference to celebrate vaccine innovation history. We will review the most current adult immunization information and share strategies for immunization activities in health care facilities, businesses, and communities. Topics may include:

- Updates on new vaccines and the current adult immunization schedule.
- College Health Panel.
- Vaccine preventable disease outbreaks and management.
- Vaccinating high risk adults.
- The Massachusetts Immunization Information System (MIIS) and data quality.
- Adult Vaccine Storage and Handling.
- Strategies to improve adult immunization implementation.
