Massachusetts Department of Public Health: Care That Fits You

A public facing resource hub for sexual health and linkage to HIV and STI prevention and treatment services. This resource features LGBTQIA+ health.

Massachusetts Department of Public Health: Mpox Vaccine Locator

American Sexual Health Association: Vaccines That Can Prevent STIs

A quick, user-friendly overview of vaccines that can protect against sexually transmitted infections. This resource can be used for patient or provider audiences.

National Coalition for Sexual Health: Mpox Vaccine: Promotion Materials Toolkit

The National Coalition for Sexual Health (NCSH) has developed a series of digital and print materials, with messages in both English and Spanish, for health departments and community-based organizations to promote uptake of the mpox vaccine - including second dose vaccine reminder cards.

Massachusetts HPV Coalition

A coalition of providers and advocates working to build capacity and awareness on HPV prevention. This site contains information about upcoming events, training, and maintains a curated list of local and national resources.

Immunize.org: Vaccinations for Men who have Sex with Men

A patient-facing resource with a one-page table covering the recommended vaccinations for gay, bisexual, and other men who have sex with men.

Meningococcal B Vaccine for *Neisseria gonorrhoeae* Infection. A Research Summary based on Seib KL et al. | 10.1056/NEJMoa2516739 | Published on July 8, 2026 (Note: the link is for the article abstract. The summary is paywalled for NEJM subscribers.)
